Operation True Cross[®]

A spiritual warfare campaign to help God save America

For the first time in human history, a small team of brave men walked 4,500 hard miles while carrying a relic of the True Cross from four Marian shrines to the heart of America. Join our permanent "Crucifix of Reparation" over the United States.

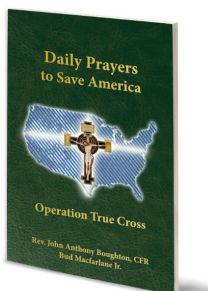

It all began when a priest was given an image in prayer of a compass forming into a cross over a map of the United States. Our gutsy founder, Bud Macfarlane, invites you to join our ongoing spiritual warfare campaign.

Four Walking Pilgrimages to the Lourdes Grotto at Notre Dame

- Our Lady of Good Help, Wisconsin (250 miles)
- The National Basilica Shrine, Washington, D.C. (650 miles)
- Our Lady of Peace, Santa Clara, CA (2,700 miles)
- La Leche Shrine, Saint Augustine, FL (1,000 miles)

No matter where you live, in just 12 minutes a day, you can pray the exorcism prayers for laymen in our official prayer book, *Daily Prayers to Save America*, while atoning with us for the sins of America and imploring God for the divine intervention needed to save our country.
